On May 29, 2024, the Board of Directors of Cimpress plc authorized the repurchase of up to \$200,000,000 aggregate purchase price (excluding any fees, commissions, or other expenses of such purchases) of Cimpress' issued and outstanding ordinary shares on the open market, through privately negotiated transactions, or in one or more self tender offers. The Board did not set an expiration date for this repurchase program, and we may suspend or discontinue our share repurchases at any time. The Board's authorization does not necessarily mean that Cimpress will repurchase the full dollar amount. Share repurchases under this authorization will be subject to the net leverage policy and near-term capital allocation commentary disclosed in our most recent earnings document published on May 1, 2024.

Cimpress previously announced on January 31, 2024 an authorization to repurchase up to \$150,000,000 of Cimpress ordinary shares, which has now been completed. Since the last update as part of our May 1, 2024 earnings document, Cimpress repurchased 352,956 shares for a total of \$30.0 million at an average price per share of \$85.00. In the aggregate under this prior authorization, Cimpress repurchased 1,640,982 shares for a total of \$150.0 million at an average price per share of \$91.41.
