PROPOSAL 1 - REAPPOINT ZACHARY S. STERNBERG TO OUR BOARD OF DIRECTORS

The members of our Board of Directors serve for rotating terms of up to three years. In accordance with the recommendation of the Nominating Committee of the Board, our Board recommends the reappointment of Zachary S. Sternberg for a three-year term ending at the conclusion of our annual general meeting of shareholders in 2024 because of his perspective as a material and long-term shareholder of Cimpress with a deep understanding of the importance of long-term stewardship of capital informed by more than a decade of successful investment experience.

You can find more information about Mr. Sternberg in the section of this proxy statement entitled "INFORMATION ABOUT OUR DIRECTORS AND EXECUTIVE OFFICERS."

Our Board of Directors recommends that you vote FOR the reappointment of Mr. Sternberg to the Board.

PROPOSAL 2 - ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

At the annual meeting, we are asking our shareholders to approve the compensation of our named executive officers, as described in the Compensation Discussion and Analysis section, executive compensation tables, and accompanying narrative disclosures below. This is an advisory vote, meaning that this proposal is not binding on us, but our Compensation Committee takes shareholder feedback into account when designing our executive compensation program, which has received more than 96% approval from our shareholders at each of our last eight annual general meetings of shareholders.

At our annual general meeting in 2017, a majority of our shareholders voted to hold the advisory vote to approve our executive compensation on an annual basis. Therefore, we intend to put forth at each annual general meeting of shareholders an advisory vote on the compensation of our named executive officers for the immediately preceding fiscal year.

Our Board of Directors recommends that you vote FOR the approval of the compensation of our named executive officers, as described below.

COMPENSATION DISCUSSION AND ANALYSIS

Executive Overview

Our success depends on our ability to attract and retain top talent in a competitive marketplace, and to motivate that talent to achieve outstanding performance. In determining the compensation of our executive officers, our Compensation Committee begins with an analysis of the competitiveness of our executive compensation program and, as a starting point, seeks to pay our executives total compensation (including base salary and target long-term incentive award values) at the 75th percentile of the competitive market. The Compensation Committee then applies its own discretion to take into account any other factors it may deem relevant in any given fiscal year, such as general economic conditions, the internal equity of compensation among our executives, each executive's experience and role, individual performance, and, particularly in fiscal year 2021, the impact of the COVID-19 pandemic. The Committee does not assign specific weights to particular factors but considers them together in determining compensation.

We have designed our compensation program to encourage our executives and employees to manage to the long-term success of Cimpress in line with our uppermost financial objective and to forgo short-term actions and metrics except to the extent those short-term actions and metrics support our long-term goals. Cimpress' uppermost financial objective is to maximize our intrinsic value per share, or IVPS, which we define as (a) the unlevered free cash flow per diluted share that, in our best judgment, will occur between now and the long-term future, appropriately discounted to reflect our cost of capital, minus (b) net debt per diluted share. We define unlevered free cash flow as free cash flow plus cash interest expense related to borrowing. We believe that the compound annual growth rate, or CAGR, of the three-year moving average of the daily closing share price of Cimpress' ordinary shares, or 3YMA, over a multiple-year period is a proxy for the change in our IVPS over the same time frame. Accordingly, our long-term incentive compensation (LTI) program features performance share unit (PSU) awards

representing a right to receive Cimpres ordinary shares based on the performance of our 3YMA CAGR over a multiple-year period.

In fiscal year 2021, the COVID-19 pandemic had a material adverse effect on our business, financial results, customers, and markets. The pandemic also underscored the effect that sustained downward pressure on our share price due to macroeconomic factors beyond our control can have on our LTI awards, especially our PSUs, and the importance of retaining top talent capable of guiding Cimpres through difficult times. In response to the pandemic, we made adjustments to our LTI program in fiscal year 2021, including the following:

1. We diversified the program to include restricted share units (RSUs) that pay out in Cimpres ordinary shares over the first four years after grant, in addition to longer-term, higher-risk PSUs.
2. We used a two-year moving average of the daily closing share price of Cimpres' ordinary shares (2YMA), instead of the three-year moving average, as the baseline against which the performance of our fiscal year 2021 PSU awards will be measured. On each of the measurement dates during the performance period, we will calculate a CAGR by comparing the 3YMA on the measurement date against the 2YMA baseline to determine whether the CAGR performance condition has been satisfied. We chose to use a 2YMA as the baseline to enhance the value of our PSU awards in retaining talented employees. During fiscal year 2021 the 2YMA was lower than the 3YMA, and we expect that comparing the lower 2YMA to the future 3YMA will make the achievement of the CAGR performance condition easier, but still challenging, in recognition of the exceptional macroeconomic conditions of the pandemic.
3. We delayed until February 2021 the determination and grant of fiscal year 2021 LTI awards due to the uncertainty caused by the pandemic.

The changes to our LTI program described in #1 and #2 above did not apply to the LTI awards granted to Robert Keane, our Chief Executive Officer. Mr. Keane signed a PSU Limitation Agreement with Cimpres providing that, until June 30, 2023, he will continue to receive all of his long-term incentive compensation in the form of PSUs, the maximum number of PSUs we may grant him in any fiscal year is 75,000, and the performance conditions in his PSU awards must be that the 3YMA CAGR equal or exceed 11% over a performance period of six to ten years. In fiscal year 2021 Mr. Keane received 99% of his total compensation, including his base salary, Board retainer fees, and LTI, in the form of PSUs with a 3YMA baseline for measuring performance.

Sean Quinn, our Chief Financial Officer, and Maarten Wensveen, our Chief Technology Officer, were entitled to receive annual LTI awards in February 2021 consisting of a mix of 75% PSUs and 25% RSUs (based on target values), with the opportunity for the executive officers to elect to receive 100% PSUs and no RSUs if they wished. Mr. Wensveen elected to receive 100% of his annual LTI award granted in February 2021 as PSUs.

Pay for Performance

For fiscal year 2021, the principal elements of our compensation program for our named executive officers included:

<p>Base Salary</p> <p>Targeted at 50th percentile of market data</p> <p>Robert Keane's base salary is paid in PSUs (other than \$684 per week paid in cash, per the U.S. Fair Labor Standards Act)</p>	<p>Health and Welfare Benefits</p> <p>Standard benefits that are applicable to all of our employees in each executive's geographic location</p>
<p>LTI Awards</p> <p>PSUs with performance conditions tied to the appreciation of our 3-year moving average share price over a multiple-year period, intended to reward executives based on the creation of value for our shareholders over the long term</p> <p>RSUs vesting over four years for executives other than Mr. Keane</p>	<p>Severance/CIC</p> <p>Severance and change in control arrangements for our executive officers</p> <p>Expat Benefits</p> <p>From time to time we provide expatriate benefits for executives who are assigned to work in geographic locations outside of their home countries</p>

Under our pay-for-performance philosophy, the compensation of our executives and other employees at higher levels in the organization is more heavily weighted toward variable compensation based on our performance, and base salary generally accounts for a smaller portion of these employees' total compensation packages. The percentiles of competitive market data that we use to evaluate the compensation of our named executive officers are designed to ensure that our executive officers will receive total compensation significantly below the median if Cimpres does not perform well and significantly above the median for Cimpres' extraordinary performance. In accordance with this philosophy, the Compensation Committee initially allocates the compensation of our executive officers within the percentiles listed below, and then may use its discretion to adjust each executive officer's compensation to reflect other factors such as general economic conditions, the internal equity of compensation among our executives, and the executive's experience, role, and individual performance.

- Base salary at the 50th percentile of competitive market data
- Target total compensation (base salary plus target LTI award values) at the 75th percentile of competitive market data

When considering the competitiveness of our executive compensation program for fiscal year 2021, our Compensation Committee took into account a compensation analysis that we developed internally using published compensation survey data, as well as detailed historical compensation analyses for each executive officer, but did not use a compensation peer group or engage a compensation consultant. The Compensation Committee set the total target fiscal year 2021 compensation of Sean Quinn and Maarten Wensveen at significantly above the 75th percentile of market data because both executives are serving in dual roles as Chief Financial Officer (Mr. Quinn) and Chief Technology Officer (Mr. Wensveen) of both Cimpres and Vistaprint, our largest business, and because the Compensation Committee believes that retaining these executives is critical to the success of Cimpres and Vistaprint and that their performance and contributions to Cimpres and Vistaprint warranted target compensation above the 75th percentile.

Base Salary

For fiscal year 2021, our Compensation Committee maintained the base salaries of Robert Keane and Sean Quinn at their fiscal year 2020 levels and increased Maarten Wensveen's base salary by 25% to bring his salary more in line with other Cimpres executives. Beginning in the second half of fiscal year 2019, in order to tie Mr. Keane's compensation as fully as possible to Cimpres' long-term performance, Mr. Keane's base salary and director fees are paid almost entirely in PSUs. In fiscal year 2021, we paid Mr. Keane's compensation in PSUs other than \$56,237 paid in cash, representing the minimum annual salary for exempt employees under the U.S. Fair Labor Standards Act plus the amount of LTI compensation payable to Mr. Keane that exceeded the 75,000 PSUs per fiscal year limit set forth in his PSU Limitation Agreement.

In the fourth quarter of fiscal year 2020, in light of the effects of the COVID-19 pandemic on Cimpres' business and financial results, we implemented a temporary 50% reduction in the base salaries of our named executive officers other than Robert Keane and granted to each impacted executive an RSU award having the same value as the executive's salary reduction for the quarter. These RSU awards vested in full on August 15, 2020, at which time each RSU was automatically converted into ordinary shares of Cimpres plc on a one-to-one basis. Because Mr. Keane already received almost all of his compensation in the form of PSUs, as noted above, he was not included in the salary reduction program.

Long-Term Incentive Program

Our LTI program is designed to focus our executives and employees on long-term performance and maximizing our IVPS. Although in recent fiscal years PSU awards were the primary LTI compensation vehicle for our named executive officers, the COVID-19 pandemic underscored the effect that sustained downward pressure on our share price due to macroeconomic factors beyond our control can have on our PSU awards, as well as the importance of retaining top talent capable of guiding Cimpres through difficult times. Accordingly, in fiscal year 2021 we diversified our LTI program to include RSU awards for employees and executives other than Robert Keane, in addition to PSU awards. Mr. Keane received his LTI awards entirely in the form of PSUs in fiscal year 2021 in accordance with his PSU Limitation Agreement.

Performance Share Units. Each PSU represents a right to receive between 0 and 2.5 ordinary shares of Cimpres plc upon the satisfaction of both service-based vesting over time and performance conditions relating to the 3YMA CAGR over a period determined by the Board. We refer to the issuance of Cimpres ordinary shares

pursuant to a PSU upon satisfaction of both conditions as a Performance Dependent Issuance. With challenging performance hurdles and performance periods extending multiple years into the future, PSU awards are designed to encourage our executives and employees to manage to a long-term time horizon.

First condition to a Performance Dependent Issuance: Service-based Vesting. PSUs granted to employees generally vest 25% per year over four years so long as the employee remains employed by Cimpres. However, service-based vesting is not sufficient for payout; PSU service-based vesting events are the dates after which the participant gains the future right to a Performance Dependent Issuance with respect to their then-vested PSUs, subject to achievement of the relevant performance conditions.

If a participant resigns or is terminated other than for cause, they retain all PSUs that have satisfied the service-based vesting condition as of their resignation or termination date. If Cimpres achieves the performance thresholds described below, the former participant would receive Cimpres ordinary shares upon settlement of the PSUs, even though they no longer have an employment, director, or other service relationship with Cimpres.

Second condition to a Performance Dependent Issuance: 3YMA Performance. For each PSU award, we calculate a baseline moving average share price as of a specified date at the time of grant for two purposes: to establish the number of units to be granted and to establish the baseline for future performance measurement. On each measurement date during the performance period determined by our Board of Directors we calculate the 3YMA as of such date, and on the first measurement date that the 3YMA, as compared to the baseline moving average share price, equals or exceeds a minimum CAGR set by the Board, the performance condition would be satisfied.

3YMA Performance Criteria for our CEO. PSU awards granted in fiscal year 2021 to Robert Keane have a baseline equal to the 3YMA on the grant date and a performance period of six to ten years, to encourage focus on Cimpres' performance over the long term. Beginning on the sixth anniversary of the grant date, and on each anniversary thereafter through year ten, we will calculate the 3YMA as of such date. On the first of these measurement dates that the 3YMA equals or exceeds a CAGR of 11% as compared to the baseline 3YMA, the performance condition would be satisfied, and we would issue to Mr. Keane the number of Cimpres ordinary shares determined by multiplying the number of PSUs subject to the award by the applicable performance-based multiplier. The performance-based multiplier begins at 125% for an 11% 3YMA CAGR and increases on a sliding scale to 250% for a 3YMA CAGR of 20% or above. If the 3YMA CAGR does not reach at least 11% on any of the sixth through tenth anniversaries of the grant date, then the PSU award would be terminated and no Cimpres ordinary shares would be issued with respect to the award.

3YMA Performance Criteria for Executive Officers other than our CEO. PSU awards granted in fiscal year 2021 to executive officers other than Robert Keane have a baseline equal to the 2YMA on the grant date and a performance period of four to eight years. We set the baseline for these PSU awards at the 2YMA of \$95.46 as of the grant date, which was lower than the 3YMA of \$108.31 on that date, in recognition that the exceptionally challenging macroeconomic conditions of the pandemic and sustained downward pressure on Cimpres' share price had a significant negative impact on the value and likelihood of payout with respect to the PSU awards granted to the executives in previous fiscal years. We expect that comparing the lower 2YMA baseline to the 3YMA on future measurement dates will make the achievement of the CAGR performance condition easier, but still challenging. For PSU awards granted in fiscal year 2022, we reverted to a 3YMA baseline.

Beginning on the fourth anniversary of the grant date, and on each anniversary thereafter through year seven, we will calculate the 3YMA as of such date. On the first of these measurement dates that the 3YMA equals or exceeds a CAGR of 9%, as compared to the 2YMA baseline, the performance condition would be satisfied, and we would issue to the participant the number of Cimpres ordinary shares determined by multiplying the number of PSUs subject to the award by the applicable performance-based multiplier. The performance-based multiplier begins at 100% for a 9% CAGR and increases on a sliding scale to 250% for a CAGR of 20% or above. If the CAGR has not reached at least 9% on any of the fourth through seventh anniversaries of the grant date and thus a Performance Dependent Issuance has not yet occurred, then the threshold CAGR level

for 3YMA performance at the eighth anniversary of the grant date, as compared to the baseline 2YMA, is lowered to 7%, and if the 3YMA performance meets or exceeds a 7% CAGR on the eighth anniversary the recipient would still receive Cimpres ordinary shares, but at a lower multiple beginning at 75% for a 7% CAGR and increasing on a sliding scale to 250% for a CAGR of 20% or above.

If none of the CAGR performance goals are achieved by the eighth anniversary of the grant date, then the PSU award would be terminated and no Cimpres ordinary shares would be issued with respect to the award.

The actual closing price of the Cimpres shares issued upon the Performance Dependent Issuance may be higher or lower than the 3YMA used to calculate the number of shares issued at such time.

Restricted Share Units. In fiscal year 2021, in order to enhance the retention value of our LTI program in light of the adverse effects of the COVID-19 pandemic on our share price and thus on the likelihood of achievement of the 3YMA performance targets in our PSU awards, we added RSU awards to our LTI program for executives and employees other than Mr. Keane. Our RSU awards typically vest annually over four years, and upon vesting each RSU is automatically converted into ordinary shares of Cimpres plc on a one-to-one basis so long as Cimpres continues to employ the recipient on the vesting date. Our executive officers other than Mr. Keane received a supplemental RSU award on July 1, 2020 to help retain and incent them to continue to guide Cimpres through difficult times and in recognition of the added difficulty of achieving the 3YMA performance targets in the PSU awards they had received in previous years due to the adverse effects of the pandemic on our share price. Our executive officers other than Mr. Keane were also eligible to receive annual LTI awards in February 2021 consisting of a mix of 75% PSUs and 25% RSUs (based on target values), with the opportunity for the executives to elect to receive 100% PSUs and no RSUs if they wished. Mr. Wensveen elected to receive 100% of his annual LTI award granted in February 2021 as PSUs.

Cash Retention Bonuses. In past years, we allowed our executive officers other than Mr. Keane to elect to receive a portion of their LTI awards in the form of cash retention bonuses, subject to a minimum threshold that was required to be allocated to PSUs. The cash retention bonuses pay the employee a fixed amount in equal payments over several years (typically four years) so long as Cimpres continues to employ the recipient. Although we no longer grant cash retention bonuses to executives, Mr. Quinn still holds cash retention bonus awards that were granted in previous fiscal years and that continued to vest, with the incremental vested amounts being earned, in fiscal year 2021.

Benefit Programs

The Compensation Committee believes that all employees based in the same geographic location should have access to similar levels of health and welfare benefits, and therefore our executive officers are eligible for the same health and welfare benefits, including medical, dental, vision, and disability plans, group life and accidental death and disability insurance and other benefit plans, as those offered to other employees in their location.

U.S.-based employees may participate in a 401(k) plan that provides a company match of up to 50% on the first 6% of the participant's eligible compensation that is contributed, subject to certain limits under the United States Internal Revenue Code of 1986, or US Tax Code, with company matching contributions vesting over a four-year period. As part of the cost reductions we executed due to the COVID-19 pandemic, we suspended the 401(k) matching contributions for U.S. employees from April 2020 through the end of September 2020.

We also provide customary pension plans to our European employees.

Perquisites

In general, executives are not entitled to benefits that are not otherwise available to all other employees who work in the same geographic location, although we do pay for a driver for Mr. Keane so that he can work during his commute. We also from time to time enter into arrangements with some of our named executive officers to reimburse them for living and relocation expenses and tax preparation fees and associated tax gross-ups relating to their work outside of their home countries. You can find more information about these arrangements in the Summary Compensation Table of this proxy statement.

Executive Retention and Other Agreements

We have entered into executive retention agreements with all of our executive officers. Under the executive retention agreements, if we terminate an executive officer's employment other than for cause, death, or disability or the executive terminates his or her employment for good reason before a change in control of Cimpress or within one year after a change in control (as cause, disability, good reason, and change in control are defined in the agreements), then the executive is entitled to receive:

- A lump sum severance payment equal to two years' salary and annual bonus, in the case of Mr. Keane, or one year's salary and annual bonus, in the case of the other executive officers. Because we no longer grant annual bonuses to our executives and employees, this amount would include only salary.
- With respect to any outstanding annual or multi-year cash incentive award under our previous cash performance incentive plan, a pro rata portion, based on the number of days from the beginning of the then current performance period until the date of termination, of his or her target incentive. Because we no longer grant awards under the cash performance incentive plan to our executives and employees, this amount would be zero.
- The continuation of all other employment-related health and welfare benefits for up to two years after the termination in the case of Mr. Keane, or up to one year after the termination in the case of our other executive officers.

Both the executive retention agreements and our PSU awards have change in control provisions. The executive retention agreements provide that, upon a change in control of Cimpress, all equity awards (other than PSUs) granted to each executive officer will accelerate and become fully vested, and each executive's annual or multi-year cash incentive awards under our previous cash performance incentive plan would accelerate such that the executive would receive a portion of his or her target bonus for the remaining performance period after the change in control. None of our executives currently holds any share options, but if they did, then the exercise period of the share options would be extended in certain circumstances if the executive's employment terminated after a change in control of Cimpress.

The equity plans and agreements that govern our PSUs provide that, upon a change in control, all PSUs that have satisfied the applicable service-based vesting conditions will be settled for Cimpress ordinary shares in accordance with the terms of the awards if the actual price paid per share to holders of Cimpress' securities in connection with the change in control equals or exceeds the CAGR performance goals set forth in the award agreements.

Our Compensation Committee decided that we would no longer include any excise tax gross-up provisions in any executive retention agreements we enter into with new executives after August 1, 2012, and accordingly, the only current executive officer who has an excise tax gross-up provision in his agreement is Mr. Keane. If Mr. Keane is required to pay any excise tax pursuant to Section 4999 of the US Tax Code as a result of compensation payments made to him, or benefits he obtained (including the acceleration of equity awards), in connection with a change in ownership or control of Cimpress, we are required to pay him an amount, referred to as a gross-up payment, equal to the amount of such excise tax plus any additional taxes attributable to such gross-up payment. However, if reducing Mr. Keane's compensation payments by up to \$50,000 would eliminate the requirement to pay an excise tax under Section 4999 of the US Tax Code, then Cimpress has the right to reduce the payment by up to \$50,000 to avoid triggering the excise tax and thus avoid providing gross-up payments to Mr. Keane.

The following table sets forth information on the potential payments to our named executive officers upon their termination or a change in control of Cimpres, assuming that a termination or change in control took place on June 30, 2021.

• Change in Control w/ Termination Without Cause or With Good Reason	750,000	5,514,817	22,198	—	6,287,015

- (1) Amounts in this column for Termination Without Cause or With Good Reason represent severance amounts payable under the executive retention agreements.
- (2) Amounts in this column represent the value, based on \$108.41 per share, which was the closing price of our ordinary shares on Nasdaq on June 30, 2021, the last trading day of our 2021 fiscal year, of (1) unvested RSUs that would vest and (2) shares that would be issued pursuant to vested PSUs upon the triggering event described in the first column. For PSUs, we assumed the price paid per share to holders of Cimpres' shares in connection with the change in control would represent a CAGR equal to the target performance goal for the PSU awards.
- (3) Amounts reported in this column represent the estimated cost of providing employment related benefits (such as insurance for medical, dental, and vision) during the period the named executive officer is eligible to receive those benefits under the executive retention agreements, which is two years for Mr. Keane and one year for the other named executive officers.
- (4) None of our executive officers other than Mr. Keane have excise tax gross-up provisions in their agreements. We calculate the amount of tax gross up to which Mr. Keane would have been entitled if a triggering event had occurred on June 30, 2021 and determined that he would not have been entitled to a gross-up payment.

The Role of Company Executives in the Compensation Process

Although the Compensation Committee makes the final decisions about executive compensation, the Committee also takes into account the views of our Chief Executive Officer, who makes initial recommendations with respect to the compensation of executive officers other than himself. Other employees of Cimpres also participate in the preparation of materials presented to or requested by the Compensation Committee for use and consideration at Compensation Committee meetings.

Share Ownership Guidelines and Policy on Hedging

We have share ownership guidelines for all of our executive officers and members of our Board of Directors. The guidelines require our executive officers and directors to hold Cimpres equity, including ordinary shares they hold directly or indirectly, unvested RSUs, vested and unvested PSUs, and vested, unexercised, in-the-money share options, with a value, based on the two-year trailing average of the closing prices of Cimpres' ordinary shares on Nasdaq, equal to or greater than a multiple of the executive officer's annual base salary or the director's annual retainer, as follows:

- Chief Executive Officer: 5 times annual base salary
- Other executive officers: 3 times annual base salary
- Board of Directors: 3 times Board annual cash retainer

We give each executive officer and Board member four years from his or her initial appointment as a Cimpres officer or director to comply with the share ownership guidelines. As of June 30, 2021, all executive officers and directors had satisfied their ownership guideline requirement.

Our Insider Trading Policy prohibits Cimpres' executive officers, directors, and employees from engaging in any derivative or hedging transactions in Cimpres securities, including but not limited to short sales, put options, call options, collars, futures contracts, forward contracts, and swaps.

- (1) These columns represent PSU awards. Each PSU represents a right to receive between 0 and 2.5 Cimpres ordinary shares upon the satisfaction of (A) service-based vesting, and (B) performance conditions relating to the CAGR of the 3YMA of Cimpres' ordinary shares.
- (2) For Mr. Keane, these amounts represent the number of Cimpres ordinary shares issuable six to ten years after the grant date if he fully satisfies the service-based vesting condition described in footnote 6, 7, 8, or 9, as applicable, and the 3YMA CAGR is 11% to 11.99% on any of the sixth through tenth anniversaries of the grant date (multiplier of 125%). For the named executive officers other than Mr. Keane, these amounts represent the number of Cimpres ordinary shares issuable four to eight years after the grant date if the executive officer fully satisfies the service-based vesting condition described in footnote 9 and the 3YMA CAGR is 9% to 9.99% on any of the fourth through eighth anniversaries of the grant date (multiplier of 100%).
- (3) For Mr. Keane, these amounts represent the number of Cimpres ordinary shares issuable six to ten years after the grant date if he fully satisfies the service-based vesting condition described in footnote 6, 7, 8, or 9, as applicable, and the 3YMA CAGR is 20% or above on any of the sixth through tenth anniversaries of the grant date (multiplier is 250%). For the named executive officers other than Mr. Keane, these amounts represent the number of Cimpres ordinary shares issuable four to eight years after the grant date if the executive officer fully satisfies the service-based vesting condition described in footnote 9 and the 3YMA CAGR is 20% or above on any of the fourth through eighth anniversaries of the grant date (multiplier of 250%).
- (4) The amounts reported in this column represent RSU awards.
- (5) The amounts reported in this column represent the grant date fair value for the RSU and PSU awards computed in accordance with FASB ASC Topic 718. You can find the assumptions we used in the calculations for these amounts in Note 11 to our audited financial statements included in our Annual Report on Form 10-K for the fiscal year ended June 30, 2021. The maximum value of the PSUs granted in fiscal year 2021 assuming the maximum achievement of the performance conditions, which we estimated by multiplying the maximum number of shares issuable pursuant to each PSU award by the closing price of our ordinary shares on Nasdaq on the applicable grant date, or on the last trading date immediately before the grant date if the grant date is not a trading date, is \$19,240,485 in the aggregate for all of Mr. Keane's PSU awards, \$5,150,309 for Mr. Quinn, and \$5,493,824 for Mr. Wensveen.
- (6) This PSU award was granted to Mr. Keane in lieu of his base salary for his role as Chief Executive Officer in fiscal year 2021. The service-based vesting condition of this PSU award is that 25% of the original number of PSUs vest on each of September 30, 2020, December 31, 2020, March 31, 2021, and June 30, 2021 so long as Mr. Keane continues to be an eligible participant under Cimpres' 2020 Equity Incentive Plan on such vesting date.
- (7) This PSU award was granted to Mr. Keane in lieu of his \$100,000 cash retainer fee for his role as a member of our Board of Directors in fiscal year 2021. - (9) The service-based vesting condition of the PSUs reported in this row is that 25% of the original number of PSUs vest on June 30 of each of 2021 through 2024 so long as the executive officer continues to be an eligible participant under Cimpres' 2020 Equity Incentive Plan on such vesting date.

- (10) 25% of the original number of RSUs subject to this award vest on July 1 of each of 2021 through 2024 so long as the executive officer continues to be an eligible participant under Cimpres's 2011 Equity Incentive Plan on such vesting date.
- (11) 25% of the original number of RSUs subject to this award vest on August 15 of each of 2021 through 2024 so long as the executive officer continues to be an eligible participant under Cimpres's 2020 Equity Incentive Plan on such vesting date.

- (1) These amounts represent the number of Cimpres ordinary shares issuable pursuant to RSU awards upon vesting.
- (2) The market value of the unvested RSUs is determined by multiplying the number of RSUs by \$108.41 per share, which was the closing price of our ordinary shares on Nasdaq on June 30, 2021, the last trading day of our 2021 fiscal year.
- (3) These amounts represent the number of Cimpres ordinary shares issuable pursuant to PSU awards if the applicable service-based vesting condition and 3YMA CAGR performance conditions described in the footnotes below are satisfied for such PSU award.
- (4) The market value of the unearned PSUs is determined by multiplying the number of shares that would be issuable if the conditions described in footnote 3 were achieved by \$108.41 per share, which was the closing price of our ordinary shares on Nasdaq on June 30, 2021, the last trading day of our 2021 fiscal year.
- (5) This amount represents the number of Cimpres ordinary shares issuable six to ten years after the grant date of August 15, 2016 if the named executive officer fully satisfies the service-based vesting condition and the 3YMA CAGR is 11% to 11.99% on any of the sixth through tenth anniversaries of the grant date (multiplier of 125%). The service-based vesting condition has been fully satisfied for these PSUs, but the PSUs are not earned, and no shares are issuable pursuant to the PSUs, until August 15, 2022 at the earliest (unless there is an earlier change in control) and only if the performance conditions relating to the CAGR of the 3YMA of Cimpres' ordinary shares are satisfied.

Option Exercises and Shares Vested in the Fiscal Year Ended June 30, 2021

The following table contains information about option exercises and vesting of RSUs on an aggregated basis during fiscal year 2021 for each of our named executive officers.

Name	Option Awards		Share Awards	
	Number of Shares Acquired on Exercise (#)	Value Realized on Exercise (1)(\$)	Number of Shares Acquired on Vesting (#)	Value Realized on Vesting (2)(\$)
Robert S. Keane	105,240	5,459,851	—	—
Sean E. Quinn	—	—	2,143	204,249
Maarten Wensveen	—	—	1,607	153,163

- (1) The value received on exercise of share options is determined by multiplying the number of shares exercised by the difference between the closing sale price of our ordinary shares on Nasdaq on the date of exercise and the exercise price.
- (2) The value realized on vesting of RSUs is determined by multiplying the number of shares that vested by the closing sale price of our ordinary shares on Nasdaq on the vest date, or on the last trading date immediately before the vest date if the vest date is not a trading date.

CEO Pay Ratio

Mr. Keane's fiscal year 2021 annual total compensation was \$8,340,034, as reported in the Summary Compensation Table above, and the fiscal year 2021 annual total compensation of our median compensated employee other than Mr. Keane was \$27,136. The ratio of the median employee's total compensation to Mr. Keane's total compensation is 1-to-307. \$8,283,797 of Mr. Keane's total compensation for fiscal year 2021 was in the form of PSU awards that will pay out six to ten years after grant only if the 3YMA CAGR performance conditions are met.

Because there were no changes to our employee population or employee compensation from fiscal year 2020 to fiscal year 2021 that significantly impacted our pay ratio disclosure, we used the same median employee this year as we did last year. For purposes of identifying the median compensated employee for fiscal year 2020, we took into account base salary (for salaried employees) and wages paid (for hourly employees) during the fiscal year for all our employees as of May 1, 2020. We annualized this compensation for employees who did not work the entire fiscal year, except for employees designated as seasonal or temporary. For employees whose cash compensation was temporarily reduced for the fourth quarter of 2020 and replaced with RSUs as part of the salary restructuring program we instituted in fiscal year 2020 in response to the COVID-19 pandemic, we included the RSUs as part of each employee's base salary and assumed that the RSUs granted to each employee had the same value as the amount by which such employee's cash compensation was reduced.

- (3) Consists of shares available for future awards under our 2020 Equity Incentive Plan. For PSU awards, we assumed that we would issue ordinary shares equal to 250% of the outstanding PSUs, which is the maximum potential share issuance.

PROPOSAL 3 - SET THE PRICE RANGE FOR ISSUING TREASURY SHARES

Our treasury account contains ordinary shares that we previously repurchased from our shareholders, and when we issue ordinary shares to satisfy our obligations under our equity compensation plans or for other purposes, we generally issue shares from our treasury account instead of issuing new ordinary shares from our authorized share capital. Under Irish law, we need our shareholders to set the minimum and maximum prices at which we are authorized to issue treasury shares off-market. Once set by our shareholders, the price range is valid for no more than 18 months. Unless the price range is set by our shareholders, we cannot issue treasury shares.

The formal text of the resolution that we are asking our shareholders to approve is as follows:

"As a special resolution for the purposes of section 1078 of the Companies Act 2014 of Ireland (the "Companies Act"), the maximum and minimum prices at which ordinary shares that we previously purchased or redeemed and hold in treasury may be reissued off-market are as follows:

- i. the maximum price at which such treasury shares may be re-allotted off-market is an amount equal to 200% of the market price per share on the Nasdaq Global Select Market or any other securities exchange where the Company's shares are then traded, and*
- ii. the minimum price at which such treasury shares may be re-allotted off-market is \$0.*

The authority conferred by this resolution is effective from the date of passing of this resolution and expires eighteen months from the date of the passing of this resolution, unless previously varied, revoked or renewed by special resolution in accordance with the provisions of section 1078 of the Companies Act.

For the purpose of this resolution, the "market price" of our ordinary shares is the average of the closing price on each of the consecutive days of trading during a period no shorter than one trading day and no longer than 10 trading days immediately preceding the date of the issuance, as reasonably determined by the Board of Directors of Cimpres plc."

Our Board of Directors recommends that you vote FOR the proposal to set the price range for issuing treasury shares as described above.

PROPOSAL 4 - REAPPOINT OUR STATUTORY AUDITOR UNDER IRISH LAW

The Irish Companies Act 2014 requires that our statutory auditors be appointed at each annual general meeting of shareholders, to hold office from the conclusion of the annual general meeting until the conclusion of the next annual general meeting. PricewaterhouseCoopers Ireland has served as Cimpres plc's Irish statutory auditor since fiscal year 2020 and is affiliated with PricewaterhouseCoopers LLP, who our Audit Committee has selected as our U.S. registered independent registered public accounting firm for the fiscal year ending June 30, 2022 with respect to our consolidated financial statements prepared in accordance with U.S. generally accepted accounting principles. We refer to PricewaterhouseCoopers LLP and PricewaterhouseCoopers Ireland together as "PwC."

Our Audit Committee has recommended that PricewaterhouseCoopers Ireland be appointed as our Irish statutory auditor. If our shareholders do not approve the reappointment of PricewaterhouseCoopers Ireland at this annual meeting, our Board of Directors may appoint a person or firm to fill the vacancy.

Our Board of Directors recommends that you vote FOR the reappointment of PricewaterhouseCoopers Ireland as our statutory auditor under Irish law to hold office until the conclusion of our annual general meeting in 2022.

Independent Registered Public Accounting Firm Fees and Other Matters

The following table presents the aggregate fees and expenses billed for services rendered by PwC for the fiscal years ended June 30, 2021 and June 30, 2020. The amounts reported for each fiscal year represent the fees and expenses for services rendered during the applicable fiscal year, regardless of when the fees and expenses were billed.

- (1) Audit fees and expenses consisted of fees and expenses billed for the audit of our consolidated financial statements, statutory audits of Cimpress plc (formerly Cimpress N.V.) and certain of our subsidiaries, quarterly reviews of our financial statements, and the audit of the effectiveness of internal control over financial reporting as promulgated by Section 404 of the U.S. Sarbanes-Oxley Act.
- (2) Audit-related fees and expenses for fiscal year 2020 consisted of fees and expenses for services that are reasonably related to the performance of the audit and the review of our financial statements and that are not reported under "Audit Fees." These services relate principally to consultations regarding financial accounting and reporting matters associated with the cross-border merger of Cimpress N.V. into Cimpress plc and Cimpress' debt offering.
- (3) Tax fees and expenses consisted of fees and expenses for tax compliance (including tax return preparation), tax advice, tax planning and consultation services. The remaining \$55,588 and \$70,371 for fiscal years 2021 and 2020, respectively, represent fees for global mobility immigration services.

Audit Committee's Pre-approval Policy and Procedures

Our Audit Committee has adopted policies and procedures for the pre-approval of audit and non-audit services for the purpose of maintaining the independence of our registered public accounting firm. We may not engage the independent registered public accounting firm to render any audit or non-audit service unless either the service is approved in advance by the Audit Committee or the engagement to render the service is entered into pursuant to the Audit Committee's pre-approval policies and procedures. From time to time, the Audit Committee pre-approves services that are expected to be provided to Cimpress by the independent registered public accounting firm during the following 12 months. Any such pre-approval is detailed as to the particular service or type of services to be provided and is also subject to a maximum dollar amount. At regularly scheduled meetings of the Audit Committee, management or the independent registered public accounting firm report to the Audit Committee regarding services actually provided to Cimpress.

During our fiscal year ended June 30, 2021, PwC did not provide any services to Cimpress other than in accordance with the pre-approval policies and procedures described above.

**PROPOSAL 5 - AUTHORIZE OUR BOARD OR AUDIT COMMITTEE
TO DETERMINE THE REMUNERATION OF OUR STATUTORY AUDITOR UNDER IRISH LAW**

Under the Irish Companies Act 2014, the remuneration of our statutory auditor under Irish law must be fixed by our shareholders in a general meeting of the Company or in such manner as may be determined in a general meeting. We are asking our shareholders to authorize our Board or the Audit Committee of the Board to determine PricewaterhouseCoopers Ireland's remuneration as our statutory auditor under Irish law for the duration of PwC's term of office. Our Board has delegated the authority to determine the remuneration of our statutory auditor under Irish law to the Audit Committee of the Board in accordance with the Board's procedures and applicable law.

Our Board of Directors recommends that you vote FOR the authorization of our Board or Audit Committee to determine the remuneration of PricewaterhouseCoopers Ireland.

Corporate Governance Guidelines

We believe that good corporate governance is important to ensure that Cimpress is managed for the long-term benefit of our stakeholders, including but not limited to our shareholders. The Board has adopted Corporate Governance Guidelines to assist in the exercise of its duties and responsibilities and to serve the best interests of Cimpress and our stakeholders. The Corporate Governance Guidelines provide a framework for the conduct of the Board's business.

Among other things, the Corporate Governance Guidelines provide as follows:

- A majority of the members of the Board must be independent directors, except as permitted by Nasdaq rules.
- The Board should focus on, and develop a strategy for, long-term valuation creation by Cimpress.
- The non-employee directors must meet at least twice a year in executive session without any members of Cimpress' management to discuss, among other matters, the performance of our Chief Executive Officer.
- The Board has full and free access to management and employees and the authority to hire and consult with independent advisors.
- The Board must have at all times an Audit Committee, Compensation Committee, and Nominating Committee composed of non-employee directors who meet the independence and other criteria set forth in Nasdaq rules.

- On an annual basis or such other frequency as the Board determines, the Board must conduct a self-evaluation to determine whether it and its committees are functioning effectively.

You can find our Corporate Governance Guidelines, our Code of Business Conduct, and the charters for our Audit Committee, Compensation Committee and Nominating Committee on our Investor Relations website at *ir.cimpres.com*, or you can request copies of these documents by emailing us at *ir@cimpres.com* or writing to Investor Relations, c/o Cimpres USA Incorporated, 170 Data Drive, Waltham, MA 02451 USA.

Code of Business Conduct

We have adopted a written code of business conduct that applies to our Board, officers, and employees, a current copy of which is posted on the Corporate Governance page of *ir.cimpres.com*. In addition, we intend to post on our website all disclosures that are required by law or Nasdaq stock market listing standards concerning any amendments to, or waivers from, any provision of the code.

Determination of Independence

Under Nasdaq rules, members of our Board qualify as “independent directors” only if, in the opinion of the Board, they do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board has determined that none of its members other than Robert Keane, our Chief Executive Officer, has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that all of the non-employee directors are “independent directors” as defined under Nasdaq’s Marketplace Rules.

Oversight of Risk

Our Board has responsibility for risk oversight, and the full Board or its relevant committees regularly conduct reviews of certain risk areas. In addition, based on an internal risk assessment, we believe that any risks arising from our compensation programs for our employees are not reasonably likely to have a material adverse effect on Cimpres.

Board Nomination Process

The process that our Nominating Committee follows to identify and evaluate candidates for members of our Board includes requests to its members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates, and interviews of selected candidates by members of the Committee and the Board.

In considering whether to recommend any particular candidate for inclusion in the Board’s slate of nominees, the Nominating Committee applies, among other things, the criteria for Board members set forth as an attachment to the Nominating Committee Charter. These criteria include among others the candidate’s integrity, business acumen, knowledge of our business and industry, experience, diligence, absence of any conflicts of interest, and ability to act in the interests of all of Cimpres’ stakeholders. In addition, the Charter specifies that nominees shall not be discriminated against on the basis of race, religion, national origin, sex, sexual orientation, disability, or any other basis proscribed by law and that the Nominating Committee and Board should consider the value of diversity on the Board. The Committee does not assign specific weights to particular criteria, and no particular criterion other than integrity and good character is a prerequisite for each prospective nominee.

We believe that the backgrounds and qualifications of the members of our Board, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities. Accordingly, the Nominating Committee seeks nominees with a broad diversity of experience, professions, skills and backgrounds.

Shareholders may recommend individuals to the Nominating Committee for consideration as potential candidates for the Board by submitting their names, together with appropriate biographical information and background materials and a statement as to whether the shareholder or group of shareholders making the recommendation has beneficially owned more than 5% of our ordinary shares for at least a year as of the date such recommendation is made, to Nominating Committee, c/o General Counsel, Cimpres USA Incorporated, 170 Data Drive, Waltham, MA 02451 USA. If appropriate biographical and background material has been provided on a timely basis, the

Nominating Committee will evaluate shareholder-recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

The Audit Committee has reviewed Cimpress' audited consolidated financial statements for the fiscal year ended June 30, 2021 and has discussed these financial statements with Cimpress' management and PricewaterhouseCoopers LLP, our independent registered public accounting firm for fiscal year 2021.

The Audit Committee has also received from, and discussed with, PwC various communications that PwC is required to provide to the Audit Committee pursuant to the applicable requirements of the Public Company Accounting Oversight Board, or PCAOB, and in effect for Cimpress' fiscal year 2021. The Audit Committee has discussed with the independent registered public accounting firm its independence from Cimpress. The Audit Committee also considered whether the provision of other, non-audit related services referred to under the heading "Independent Registered Public Accounting Firm Fees and Other Matters" under Proposal 4 is compatible with maintaining the independence of our registered public accounting firm.

Based on its discussions with, and its review of the representations and information provided by, management and PwC, the Audit Committee recommended to the Board that the audited financial statements be included in Cimpress' Annual Report on Form 10-K for the fiscal year ended June 30, 2021.

This Audit Committee Report is not incorporated by reference into any of our previous or future filings with the SEC, unless any such filing explicitly incorporates this Report.

Certain Relationships and Related Transactions

Policies and Procedures for Related Person Transactions

We have a written related person transaction policy that sets forth the policies and procedures for the review and approval or ratification of related person transactions. This policy covers any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships in which we are a participant, the amount involved exceeds \$25,000, and a related person has a direct or indirect material interest, including, without limitation, purchases of goods or services by or from the related person or entities in which the related person has a material interest, indebtedness, guarantees of indebtedness, and employment by us of a related person. A related person is any person who is or was a Cimpress executive officer or member of our Board of Directors at any time since the beginning of our most recently completed fiscal year, the beneficial holder of more than 5% of any class of our voting securities, or an immediate family member of anyone described in this sentence.

All potential related person transactions that we propose to enter into must be reported to our Chief Legal Officer (CLO, who is currently our General Counsel) or Chief Accounting Officer (CAO), who will determine whether each reported transaction qualifies as a related person transaction. If so, then the CLO and CAO will submit the transaction for review and approval by our Audit Committee. If our CLO and CAO determine that advance approval of a related person transaction by the full Audit Committee is not practicable under the circumstances, then they will submit the transaction to the Audit Committee chair for review and approval, and the full Audit Committee will review and ratify the related person transaction at the next Committee meeting.

In addition, the Audit Committee will review annually any previously approved or otherwise already existing related person transaction that is ongoing in nature to ensure that such related person transaction has been conducted in accordance with the Audit Committee's previous approval, if any, and that all required disclosures regarding the related person transaction are made.

When considering a proposed related person transaction, the Audit Committee will review and consider, to the extent appropriate for the circumstances:

- the related person's interest in the related person transaction;
- the approximate dollar value of the amount involved in the related person transaction;
- the approximate dollar value of the amount of the related person's interest in the transaction without regard to the amount of any profit or loss;
- whether the transaction was undertaken in the ordinary course of business;
- whether the transaction with the related person is entered into on terms no less favorable to us than terms that could have been reached with an unrelated third party;
- the purpose of, and the potential benefits to us of, the transaction; and
- any other information regarding the related person transaction or the related person that would be material to investors in light of the circumstances of the particular transaction.

The Audit Committee will review all relevant information available to it about the related person transaction. The Audit Committee may approve or ratify the related person transaction only if the Committee determines that, under all of the circumstances, the transaction is in or is not inconsistent with our best interests. The Committee may, in its sole discretion, impose conditions as it deems appropriate on us or the related person in connection with approval of the related person transaction.

In addition, under our Corporate Governance Guidelines, any director who has a conflict of interest is required to disclose that conflict to the Chairman, full Board, or General Counsel and to abstain from voting on any resolution involving, or participating in any Board discussion of, the conflict.

We did not have any related person transactions, as defined by SEC rules, during fiscal year 2021.

Compensation Committee Interlocks and Insider Participation

During fiscal year 2021, Ms. Gasperment and Messrs. Sternberg and Vassalluzzo served as members of our Compensation Committee. None of these directors has ever been an officer or employee of Cimpres or any of our subsidiaries, and during fiscal year 2021, no Compensation Committee member had any relationship with us requiring disclosure under SEC rules.

During fiscal year 2021, none of our executive officers served as a member of the board of directors or compensation committee (or other committee serving an equivalent function) of any entity that had one or more executive officers serving as a member of our Board or Compensation Committee.

Communicating with the Board

Our Board will give appropriate attention to written communications that are submitted by shareholders, and will respond if and as appropriate. The chair of the Nominating Committee, with the assistance of Cimpres' General Counsel, is primarily responsible for monitoring communications from shareholders and for providing copies or summaries to the other directors as its members consider appropriate.

The chair of the Nominating Committee will forward communications to the full Board if the communications relate to substantive matters and include suggestions or comments that he considers to be important for the directors to know. In general, the chair is more likely to forward communications relating to corporate governance and corporate strategy than communications relating to ordinary business affairs, personal grievances, and matters as to which Cimpres may receive repetitive or duplicative communications.

Shareholders who wish to send communications on any topic to our Board should address such communications to:

COMPENSATION OF OUR BOARD OF DIRECTORS

We use a combination of cash and share-based incentive compensation to attract and retain qualified candidates to serve as members of our Board of Directors. When considering the compensation of our directors, our Compensation Committee considers the significant amount of time that directors expend in fulfilling their duties to Cimpres and the skill level that we require of our Board members.

Fees

For fiscal year 2021, we paid our directors, including Mr. Keane, an annual retainer of \$100,000 per fiscal year, and the Chair of the Audit Committee received an additional \$25,000 per fiscal year. Mr. Keane's annual retainer for Board service was paid in the form of PSUs, as described above in the Compensation Discussion and Analysis section of this proxy statement. We reimburse our directors for reasonable travel and other expenses incurred in connection with attending meetings of our Board and its committees, and we pay the tax preparation fees related to their Dutch and Irish income tax returns.

Performance Share Units

Our long-term incentive program for directors for fiscal year 2021 consisted of PSU awards, with each director receiving an annual award of \$125,000 of PSUs in connection with our annual general meeting of shareholders. Each PSU represents a right to receive between 0 and 2.5 ordinary shares of Cimpres plc upon the satisfaction of both service-based vesting over time and performance conditions relating to the CAGR of the 3YMA over a six-to-ten-year period:

First condition to a Performance Dependent Issuance: Service-based Vesting

PSUs granted to members of our Board vest at a rate of 25% of the original number of PSUs per year over the four years following the date of the applicable annual general meeting (for PSU awards granted to incumbent directors) or the date on which the director was first appointed (for PSU awards granted to newly appointed directors), in each case so long as the director continues to serve on our Board. If a director ceases to serve on the Board, other than for cause, they retain all PSUs that have satisfied the service-based vesting condition as of their last day of service on the Board. If Cimpres achieves the performance thresholds described below, the former director would receive Cimpres ordinary shares upon settlement of the PSUs, even though they are no longer a member of our Board.

Second condition to a Performance Dependent Issuance: 3YMA Performance

Beginning on the sixth anniversary of the baseline measurement date set forth in the directors' PSU awards, and on each anniversary thereafter through year ten, we will calculate the 3YMA as of such date. On the first of these measurement dates that the 3YMA equals or exceeds a CAGR of 11%, the 3YMA performance condition would be satisfied, and we would issue to the director the number of Cimpres ordinary shares determined by multiplying the number of PSUs subject to the award by the applicable performance-based multiplier. The performance-based multiplier begins at 125% for an 11% 3YMA CAGR and increases on a sliding scale to 250% for a 3YMA CAGR of 20% or above. If the 3YMA CAGR does not reach at least 11% on any of the sixth through tenth anniversaries of the baseline measurement date, then the PSU award would be terminated and no Cimpres ordinary shares would be issued with respect to the award.

Non-Employee Director Compensation Table

The following table contains information about the compensation earned by our non-employee directors in the fiscal year ended June 30, 2021:

Name	Fees Earned or Paid in Cash (\$)	Share Awards (\$)(1)	Total (\$)
Sophie A. Gasperment	100,000	86,034	186,034
John J. Gavin, Jr.	125,000	86,034	211,034
Zachary S. Sternberg	100,000	86,034	186,034
Scott J. Vassalluzzo	100,000	86,034	186,034

- (1) The amounts reported in this column represent a dollar amount equal to the grant date fair value of the share awards as computed in accordance with FASB ASC Topic 718. You can find the assumptions we used in the calculations for these amounts in Note 11 to our audited financial statements included in our Annual Report on Form 10-K for the fiscal year ended June 30, 2021. The maximum value of the PSUs granted to each non-employee director in fiscal year 2021 is \$232,474 assuming the maximum achievement of the performance conditions, which we estimated by multiplying the maximum number of shares issuable pursuant to each PSU award by the closing price of our ordinary shares on Nasdaq on the grant date, or on the last trading date immediately before the grant date if the grant date is not a trading date.

In addition, at June 30, 2021, our non-employee directors held the following equity compensation awards:

- Ms. Gasperment held 6,753 PSUs.
- Mr. Gavin held 6,239 PSUs.
- Mr. Sternberg held 5,128 PSUs.
- Mr. Vassalluzzo held unexercised share options to purchase an aggregate of 5,298 shares and 6,239 PSUs.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

What is the purpose of the annual meeting?

At the annual meeting, our shareholders will consider and act upon the five proposals listed in the Notice of Annual General Meeting of Shareholders that appears on the first page of this proxy statement.

Who can vote?

To be able to vote on the matters listed in the Notice of Annual General Meeting of Shareholders on the first page of this proxy statement, you must have held ordinary shares of Cimpres at the close of business on October 14, 2021, which is the record date for the annual meeting. Shareholders of record at the close of business on October 14, 2021 are entitled to vote on each proposal at the meeting. The number of outstanding ordinary shares entitled to vote on each proposal at the meeting is 26,090,016. Currently, there are no outstanding preferred shares of Cimpres.

How many votes do I have?

Each ordinary share of Cimpres that you owned on the record date entitles you to one vote on each matter that is voted on at the annual meeting.

Is my vote important?

Your vote is important regardless of how many ordinary shares you own. Please take a moment to read the instructions below, vote your shares, and submit your proxy as soon as possible to ensure that your shares are represented and voted at the annual meeting.

How do I vote?

If you are a holder of record and your shares are not held in "street name" by a bank or brokerage firm, you may vote by using any of the following methods:

- by telephone using the toll-free telephone number shown on the proxy card or Notice of Internet Availability
- through the Internet as instructed on the proxy card or Notice of Internet Availability
- if you received proxy materials by mail or if you request a paper proxy card by telephone or through the Internet, by completing and signing the proxy card and promptly returning it in the envelope provided to Proxy Services c/o Computershare Investor Services, PO Box 505000, Louisville, KY 40233-9814 USA, or by mailing or otherwise depositing it at our registered office in Ireland
- by attending the meeting and voting in person

For your vote to be counted at the meeting, your proxy must be received no later than 4:00 p.m. Eastern Standard Time on November 29, 2021, the last business day before the meeting (or if the meeting is adjourned or postponed, the last business day before the adjourned or postponed meeting).

If the shares you own are held in street name by a bank or brokerage firm, then your bank or brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your bank or brokerage firm provides to you. Many banks and brokerage firms offer the option of voting by mail, over the Internet, or by telephone, which will be explained in the voting instruction form you receive from your bank or brokerage firm.

The shares you own will be voted according to the instructions you return to Computershare Trust Company or your bank or brokerage firm. If you are a holder of record and sign and return the proxy card, but do not give any instructions on a particular matter to be voted on as described in this proxy statement, then the shares you own will be voted in accordance with the recommendations of our Board of Directors. If your shares are held in street name at a broker, your broker may under certain circumstances vote your shares on "routine" matters if you do not timely

provide voting instructions in accordance with the instructions provided by them. However, if you do not provide timely instructions, your broker does not have the authority to vote on any “non-routine” proposals at the annual meeting and a “broker non-vote” will occur. “Broker non-votes” are shares that are held in street name by a bank or brokerage firm that indicates on its proxy that it does not have discretionary authority to vote such shares on a particular matter.

Can I change my vote or revoke my proxy after I have mailed my proxy card?

Yes. If your shares are held in street name by a bank or brokerage firm and you wish to revoke or change your voting instructions, then you must follow the directions you receive from your bank or brokerage firm. If you are a holder of record and your shares are not held in street name, then you can revoke your proxy and change your vote by doing any one of the following things:

- signing another proxy card with a later date and delivering the new proxy card to Proxy Services c/o Computershare Investor Services, PO Box 505000, Louisville, KY 40233-9814 USA no later than 4:00 p.m. Eastern Standard Time on the last business day before the meeting (or if the meeting is adjourned or postponed, the last business day before the adjourned or postponed meeting);
- delivering written notice to Proxy Services c/o Computershare Investor Services, PO Box 505000, Louisville, KY 40233-9814 USA no later than 4:00 p.m. Eastern Standard Time on the last business day before the meeting that you want to revoke your proxy (or if the meeting is adjourned or postponed, the last business day before the adjourned or postponed meeting); or
- voting in person at the meeting.

Your attendance at the meeting alone will not revoke your proxy.

How do I attend the meeting and vote in person?

If you wish to attend our annual meeting in Dublin, Ireland in person, we request that you notify us in advance, if possible, by sending our Associate General Counsel written notice at the offices of our subsidiary Cimpress USA Incorporated, 170 Data Drive, Waltham, MA 02451 USA. If you need directions to the meeting, please call Investor Relations at +1 781-652-6480. You will need to present the proxy card that you received, together with a form of personal photo identification, in order to be admitted.

If you wish to attend the meeting and your shares are held in street name by a bank or brokerage firm, then you must bring with you to the meeting an account statement or letter from your bank or brokerage firm showing that you are the beneficial owner of the shares as of the record date in order to be admitted to the meeting. To be able to vote your shares held in street name at the meeting, you will need to obtain a legal proxy from the holder of record, i.e., your bank or brokerage firm.

What vote is required?

Under Cimpress' Constitution, holders of at least a majority of our outstanding ordinary shares must be represented at the annual meeting to constitute a quorum, and the following vote is required to approve each of the proposals described in this proxy statement, in each case assuming a quorum is present:

- *Proposal 2 (advisory “say on pay”)*: This proposal requires the approval of at least a majority of votes cast at the annual meeting. This vote is non-binding and advisory in nature, but our Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.
- *Proposal 3 (setting the price range for issuing treasury shares)*: This proposal requires the approval of at least 75% of the votes cast at the annual meeting.
- *All other proposals*: These proposals require the approval of at least a majority of votes cast at the annual meeting.

For all proposals, Irish law provides that ordinary shares represented at the meeting and abstaining from voting will count as shares present at the meeting for the purpose of determining whether there is a quorum but will not

count for the purpose of determining the number of votes cast. Broker non-votes will not count as shares present at the meeting or for the purpose of determining the number of votes cast. "Broker non-votes" are shares that are held in street name by a bank or brokerage firm that indicates on its proxy that it does not have discretionary authority to vote on a particular matter.

How will votes be counted?

Each ordinary share will be counted as one vote according to the instructions contained on a properly completed proxy or on a ballot voted in person at the meeting. Abstentions and broker non-votes are not counted as either votes in favor of a proposal or votes against a proposal and therefore have no impact on the voting, although abstentions do count for the purpose of determining the size of the quorum.

Who will count the votes?

Computershare Trust Company, Inc., our transfer agent, will count, tabulate, and certify the votes.

How does the Board of Directors recommend that I vote on the proposals?

Our Board recommends that you vote FOR all of the proposals listed in the Notice of Annual General Meeting of Shareholders on the first page of this proxy statement.

Do the executive officers or directors have any substantial interests in these proposals?

No, our executive officers and directors do not have any substantial direct or indirect interests in the proposals, except to the extent of their ownership of our ordinary shares or their own appointment to the Board of Directors.

Will any other business be conducted at the meeting or will other matters be voted on?

Our Board does not know of any other matters that may come before the meeting. If any other matter properly comes before the meeting, then, to the extent permitted by applicable law, the persons named in the proxy card that accompanies this proxy statement may exercise their judgment in deciding how to vote, or otherwise act, at the meeting with respect to that matter or proposal.

Where can I find the voting results?

Within four business days after the annual meeting, we will report the voting results on a Current Report on Form 8-K that we will file with the SEC.

How and when may I submit a shareholder proposal, including a shareholder nomination for a Board position, for the 2022 annual general meeting?

Because we are an Irish public limited company whose shares are traded on a U.S. securities exchange, both U.S. and Irish rules and timeframes will apply if you wish to submit a candidate to be considered for election to our Board of Directors at our 2022 annual general meeting or if you wish to submit another kind of proposal for consideration by shareholders at our 2022 annual general meeting.

Under our Constitution, in order to nominate a candidate for election as a director or bring other business before our 2022 annual general meeting, you must deliver notice of the matter, in compliance with the Constitution, to the address listed below no earlier than 120 calendar days and no later than 90 calendar days before the first anniversary of the 2021 annual meeting. However, if the date of our 2022 annual general meeting is more than 30 calendar days before or more than 60 calendar days after the first anniversary of the 2021 annual meeting, you must deliver the required notice no earlier than 120 calendar days before the 2022 annual general meeting and no later than the later of 90 calendar days before the 2022 annual general meeting or five calendar days after the day on we first publicly announce the date of our 2022 annual general meeting.

Under U.S. securities laws, if you wish to have a proposal included in our proxy statement for the 2022 annual general meeting, then in addition to the above requirements, you also need to follow the procedures outlined in Rule 14a-8 of the Exchange Act, and we must receive your proposal at our office in Dundalk, Ireland as set forth below no later than June 22, 2022.

Any proposals, nominations or notices under our Constitution or pursuant to Rule 14a-8 should be sent to:

Secretary, Cimpres plc
Building D, Xerox Technology Park
Dundalk, Co. Louth
Ireland

With a copy to:
Associate General Counsel
Cimpres USA Incorporated
170 Data Drive
Waltham, MA 02451
USA

What are the costs of soliciting these proxies?

We will bear the costs of solicitation of proxies. We have retained Alliance Advisors for a fee of \$11,500 plus expenses to assist us in soliciting proxies from our shareholders and to verify certain records relating to the solicitation. We and our directors, officers, and selected other employees may also solicit proxies by mail, telephone, e-mail, or other means of communication. Directors, officers, and employees who help us in soliciting proxies will not be specially compensated for those services, but they may be reimbursed for their reasonable out-of-pocket expenses incurred in connection with their solicitation. We will request brokers, custodians, and fiduciaries to forward proxy soliciting material to the owners of our ordinary shares that they hold in their names and will reimburse these entities for their out-of-pocket expenses incurred in connection with the distribution of our proxy materials.

Householding of Annual Meeting Materials

Some banks, brokers, and other nominee record holders may participate in the practice of "householding" proxy statements and annual reports. This means that only one copy of our proxy statement and annual report to shareholders may be sent to multiple shareholders in your household. We will promptly deliver a separate copy of either document to you if you contact us by emailing ir@cimpres.com, writing us at Investor Relations, Cimpres, 170 Data Drive, Waltham, MA 02451 USA, or calling us at telephone no. +1 781-652-6480. If you want to receive separate copies of the proxy statement or annual report to shareholders in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker, or other nominee record holder if you hold your shares in street name, or you may contact us per the above if you are a holder of record.
